LER CONSULTANTS & ADVISORS IS PLEASED TO ANNOUNCE:

Director of Development

About the Position

GO Public Schools is a 501(c)(3) nonprofit organization that undertakes policy advocacy and public education efforts.

The Director of Development is an integral part of GO's central team and is responsible for GO's development department, which currently consists of the Director and a Manager of Development along with strategic support from an outside consulting firm. This person is charged with driving the development and implementation of strategic plans to raise funds, cultivate new donors and revenue streams, and manage their direct report, the Manager of Development, to ensure efficiency and accuracy in reporting and data analysis.

The Director of Development is a skilled fundraiser, able to cultivate and own funder relationships. The ideal candidate will work with the senior leadership team, governing boards, and staff to implement the organization's refreshed vision and direction under the leadership of GO's CEO, Darcel Sanders. The Director of Development should have proven experience as a fundraising and organizational development specialist, with several years of management experience in a non-profit organization or similar environment.
